

## Steps Taken To Select Civic Council Members

Nominees To Be Chosen Next Week; Dr. Sawyer Makes Plans for Interviews with Committees. Named at Meeting.

Steps to nominate 90 persons to Marion's civic council of 100, as outlined by Dr. Carl W. Sawyer and his committee of 32 men, were being taken today. Dr. Sawyer asked members of the nominating committee to be in readiness to choose nominees next week.

Dr. Sawyer plans to call in each of the committees of three, furnish them with the names of persons in their divisions, and effect nominations within a few days. First committees will be called in next Monday.

Committees named Wednesday night and the group each represents are Mrs. W. N. Harder, Mrs. Kate Parjeh and Mrs. H. K. Mosser, representing the clubs and organizations; R. F. Fletcher, W. L. Warner and Charles Wolf, representing the merchandising group; J. Malcolm Strelitz, C. C. Fisher and Dr. J. W. McMurray, representing the professional group;

Supt. George A. Bowman, Miss Mary Helphrey and County Auditor Earl E. Thomas representing the governmental group; William Pohler, Joseph Matthews and Ralph K. Ruppert, representing the workers' group. L. K. Warner, Don Howard and Clarence Brown representing the industrial groups.

When 10 representatives from each of the six groups have met, the 60 will meet with the original committee of 32 to choose eight other persons, completing the membership of the committee. Dr. Sawyer's plan calls for complete organization of the committee within 60 days of Sept. 9.

South Carolina has 11 men living who have served the state as governor.

## SOCIETY MEETS AT GREEN CAMP

Missionary Group Entertains; Beth Bible Class Holds Meeting.

**GREEN CAMP**—The Missionary society met Wednesday afternoon at the home of Mrs. Mayne Ruth with the business meeting in charge of Mrs. Mayne Ruth, president. Mrs. Mable Bricker had charge of devotionals.

Plans were made for the thank-offering program to be given in the near future. Mrs. Elmer Gradwohl, Mrs. Mabel Brickett, Mrs. Clifford Smith and Mrs. Florence Flach make up the committee in charge.

Mrs. Florence Flach read a letter from the thank offering secretary, Mrs. Florence Hohmann read a paper on "Called to Serve," Mrs. Elmer Gradwohl read from the Outlook of Missions, and roll call was answered by the girls from the Outlook of Missions.

The society decided to sell Christmas cards.

The next meeting will be Oct. 14 with Mrs. Elmer Gradwohl of Prospect.

Guests of the society were Mrs. Anna Milley, Mrs. Adella Reesley and Mrs. Louise Wasserman.

The Ruth Bible class of the Re-

formed church met with Mr. and Mrs. Roy Jacobs near Essex Wednesday night.

Devotionals were conducted by Milton Flach, prayer was given by Carl Haberman, and secretary's report read by Mrs. Elma Foss. It was decided to buy a new Bible for the church and Mrs. Blanche Dutton and Mrs. Lydia Lauer were named on that committee.

The next meeting will be at the home of Mr. and Mrs. Pearl Knuchel and will be in the nature of a banquet. Mrs. Clara Bell Jacobs and Mrs. Elma Foss will be in charge of the entertainment. Guests of the class were Mrs. Anna Milley of Marion, Misses Virginia Lauer and Lucile Wasserman.

According to the strongest and most enduring.

The ideal weight for strength and endurance, the tests indicate, is between 160 and 170 pounds.

For each 10-pound increase in weight there is a corresponding increase in strength until the 160-170-pound class is reached, other factors being held constant.

Beyond the 170-pound mark, however, the relationship between weight and strength becomes erratic.

That strength decreases with height in each weight group was another discovery.

### City Taxes No Longer Worry 3 Communities

By The Associated Press.

KANSAS CITY.—Three southwestern cities agree that a new way of raising taxes will be certain except death and taxes with a laugh.

Chaville, a city of more than 10,000 population in southwestern Kansas, eliminated its city tax levy in 1930.

Colby, in northwestern Kansas, with more than 2,000 residents, parted company with city taxes three years ago.

Ponca City, in north central Oklahoma, has not levied a general city tax for current expenses since its 19,000 residents in six years. A tax for stamping food revenue at present amounts to about eight mills.

In the three cases the money that obviates the necessity of taxation is derived from municipally owned utilities.

### INSANE NEGRO IS PIANO EXPERT

By The Associated Press.

HASTINGS, Neb.—There's music in the soul of "Mac" McPherson, 70-year-old Negro in the state hospital for the insane here. And it's good music.

Twenty-seven years' confinement in the sanitarium has not taken from McPherson his love for the piano. His ear for music and the nimbleness from his fingers.

He suffers from paralytic insanity—an incurable disease. He is violently insane on all subjects except music, and on this he can talk constantly and intelligently. He is a master at the piano, playing the classics mostly and overture from the world's famous operas. Jans, he doesn't like.

A wealthy woman sent him to college at Oberlin when he was a young man. He studied and became an accomplished musician. Following graduation he went on the stage, making concert tours of this country and Europe. He has played for several kings and queens, it is said.

When McPherson went insane, in 1902, he lost all interest in music. He art vanished. Gradually it returned, until today he can play the piano almost as well as in the days when he walked out into the glare of stage footlights in famous theaters of his day.

The government has planned to extend its automatic telephone system throughout the Union of South Africa, with connecting links to Rhodesia within the next five years.

### COUPLE WED AT UPPER SANDUSKY

Miss Dorothy Black is Bride of Edwin T. Belaney.

UPPER SANDUSKY, Sept. 15.—Miss Dorothy Black, youngest daughter of Carl Black of east of this city, became the bride of Edwin T. Belaney, son of Mr. and Mrs. Henry Belaney of Tiffin, Thursday morning at 10:30. The single ring service was read by Rev. S. V. Sydenstricker, pastor of the First Presbyterian church here. They were attended by Miss Ruby Dirmeyer and Howard Kelsner, brother to the bridegroom.

Proceeding the ceremony Mrs. George T. Denman sang "At Dawning" (Cadenman) accompanied by Miss Mary Dirmeyer, who also played the wedding march from "Lohengrin." During the ceremony she played "I Love You Truly."

The ceremony took place at the residence of Mrs. Jay Hare here. A three-course wedding breakfast was served to the immediate family and a few friends. After a wedding tour they will reside in Tiffin.

Fees and commissions received by 62 Mississippi sheriffs in 1930 approximated \$100,000.

### Galton Girl Weds.

BUCKHURST Sept. 18.—Mrs. Dora M. Gensheimer of Galton and Mr. Charles W. P. Nelson of North Robinson were united in marriage Thursday at 11 a. m. at the North Robinson United Brethren parsonage. Rev. T. O. Copus read the scriptures. Mr. and Mrs. Nelson will reside one mile east of North Robinson.

### Held for Hearing.

Harry Bailey, 23, of 278 Cass avenue is being held at police headquarters pending a hearing before Municipal Judge W. R. Martin on a statutory charge filed by Police Chief W. E. Marks. The filing of the charge followed a story given by the police by a 15-year-old girl.

### Ton-Geels a Real Blessing

Mrs. V. R. Harrell of Marion is only too glad to publicly recommend TON-GEEL—The Proven Medicine. Here is what she wrote us:

"For a long time I was in poor health. I was constipated and my appetite was very poor and I couldn't hardly eat anything. It certainly was very discouraging. One day TON-GEEL was recommended to me and after a while I decided to give it a fair trial. At the end of two weeks I began to notice a great difference. What a help it has been to me! I am glad to say that my bowels are regular again and my appetite has returned. I am now able to sleep well and my nerves have settled and are very much better now. This wonderful change has been brought about by TON-GEEL."

"I am convinced that it is an excellent medicine and am glad to recommend it to anyone."

There is no guess work in TON-GEEL. It is a doctor's formula and is put up by a registered druggist.

TON-GEEL is sold and recommended by STUMP & SAMS DRUG STORE in MARION.

THE NEWEST  
FALL HATS

(Copyright, Freeman Lincoln)  
"I'm not quite an innocent child, you know. I didn't accept Mr. Burke's unsupported word. To the contrary I took considerable trouble to corroborate it. That's what has taken so long."  
"Go on," said Sam weakly. "Tell the little girl more."  
"I will," said Peak crisply. "The fact is that Fourth has struck oil. He is being backed by the A. A. Burke Manufacturing company, which is a legitimate concern doing legitimate business. They have studied Fourth's circuit breaker and have come to the conclusion that it is practical. As a result, they have done three things. They have paid him a very tidy sum for his patent right; they are giving him an eminently respectable salary to help them in the work of simplifying the device; they have agreed to pay him a small royalty when the product finally goes on the market."  
"That's said Sam politely. "And are the larger rivers still running toward the west?"  
Peak laughed. "I don't blame you for feeling that way, Sam, but the whole business is true, just the same."  
There was a prolonged silence and then Sam murmured: "You must come out some Saturday for a spin on our new yacht."  
"It isn't quite that bad, but it's had enough. Fourth has acquired himself a sizeable chunk of money. Isn't it amazing?"  
"Not at all. Things like this happen to me every day. Call me up in the morning, will you please? My head may have stopped spinning by that time."  
Sam apologized to Fourth. She apologized in spite of the fact that the whole thing seemed incredible. Fourth accepted her apology wholeheartedly, for he was in need of someone to whom he could express something of his very natural exultation.  
They were to live and entertain in a way that would make the world sit up and take notice, he told her.  
"And there's another thing this money will do," he cried. "It will give me a chance to laugh at those people who have been hating that you are marrying Peak Abbott on account of his millions!"  
"Oh," Sam said mildly. "Have they been saying that?"  
"I'm sorry, Joan. He was instantly repentant. 'From now on any fool will know that you don't have to marry Peak Abbott, or any other man, for his money. As far as money is concerned, Joan, you're absolutely free!'"  
Sam nodded slowly. "I hadn't thought of that. I'm free," she looked up with a peculiar little smile. "That's an amusing idea, isn't it?"  
The days went on, but the atmosphere of uneasily persisted. In a sort of daze wonder Sam watched Fourth hurry through his breakfast so that he could be off to work. She saw him come home, night after night, exhausted but happy. She looked at the new rugs and furniture in the living room with the same sort of polite incredulity that she regarded the two new servants in the house. None of it was true, she told herself over and over, and one of these fine mornings she would wake up to find that the dream had ended.  
Nelson felt the same way. He had been at home late one afternoon when Sam had dropped in to visit Martha, and had stood by quietly while the two girls had exclaimed in unison over the many conveniences of the new apartment. Then when Sam had said that she must go, he followed her out to the little coupe at the curb.  
"Look here," he had demanded with a frown just as she was about to put her foot on the starter. "I wish you'd tell me just what is wrong with this whole business—with everything that has gone on around here in the past few weeks."  
"Oh," Sam shrugged. "You're talking about Fourth's money. It's rather remarkable, I'll grant you, but I suppose it's true."  
"I'll say it's remarkable! Can you imagine a fortune falling into our laps, and more particularly can you imagine Fourth being responsible? If you can, you're different from me. I'm completely defeated!"  
"I know," Sam nodded. "I've been in a sort of fog, myself. I keep telling myself that it's too good to be true, but still—"  
"Exactly. It can't be true, but there it is, staring us in the face." He scowled. "Are you sure that this invention business is on the level?"

Don't Suffer So... This Medicine will Help You

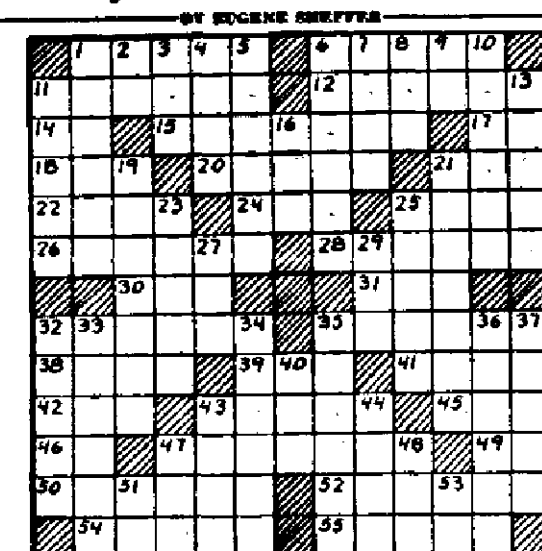

**Nervous Prostration**

know her... this poor girl who wakes up as tired as a dog... it is still aching... her legs... she's on the verge as she faces another day... go through it again... why, what is the matter? I do," she cries.  
Many young women are suffering a nervous breakdown, they let suffering make weakness rob them of their health, and in their homes, their mothers, working "on their nerve." Hoping against hope that tomorrow they will feel better... but instead they become more and more prostrated.  
Nature did not mean women to suffer so cruelly. If they would only try Lydia E. Pinkham's Vegetable Compound! It has befriended women against their "peculiar" troubles for over 50 years.  
It brings soothing, comforting relief... gently corrects through its strengthening tonic action.  
Give it at least one chance to help you. Get a bottle from your nearest druggist today. Or, try it in the new, convenient tablet form.

**"Heart of a Wife"**  
BY APRIL GARRISON

Madge's Heart Flashed on the Game on the "Safes."  
WITH Junior and Roderick ranged on either side of the clasp, my hands so tightly that they tingled from the pressure, I walked around the house toward the orchard. We were followed by the entire family. Hank and Bill racing ahead and the rest following more sedately. Behind me, I heard my mother-in-law cautioning Katherine not to jolt Baby Faith in her carriage. So even out Little Princess was in share in the surprise that patently had been prepared for me!  
As we came in the corner of the house from which the first glimpse of the orchard could be seen, Junior and Roderick pulled at my hands, haltingly.  
"Shut your eyes, now, Mamma!" Junior commanded, and from the other side Roderick seconded the injunction with, "Yes, Auntie Madge, shut your eyes tight and don't open them until we tell you to. We won't let you stumble. Just hold on!"  
"Where do you get that 'me' stuff?" Junior demanded, bristling. "She's my mother. I guess she'll lean on me if she leans on anybody."  
With a little sigh, I realized that Junior had not yet overcome the jealousy of Roderick, that makes the stay of Dicky's nephew in our home a problem. But I wanted no session of discipline today, if I could avoid it.  
Hardly able to walk...  
"I think Roderick means 'us' instead of 'me' dear," I said. "I can't lean on either one of you alone, you know, because you are both my boys. You did mean 'us' didn't you Roderick?"  
I gripped Junior's hand hard and I asked the question, and when his chubby little fingers, closed like a vice on mine, had the thrill which comes to a mother when a child responds to her guidance instead of rebelling it.  
"Sure, I mean 'us,'" swaggered Roderick, who, evidently saw the light, and Junior countered in the same swaggering fashion with a handsome "that's all right, she'll lean on both of us," which evidently saved the day.  
With my knowledge of both young lads, I knew better than to make any further comments, only venturing a mild, "Shall I close my eyes now?"  
"Yes, this very minute," Junior said, and putting up a special petition to my particular little Joe that I would not measure my length on the grass. I closed my eyes, and clinging tightly to the hands of my sweet son and Dicky's nephew, made my way along the path to the orchard.  
From somewhere in front of me, I heard Kate's hysterical giggle, and the stolid voice of Jim, her husband, admonishing her to "shut up." The rest was silence except for the sound of feet behind me. In the grass and the heavy breathing of the small boys on either side of me, the importance of whose office was evidently almost overpowering them. And then, at last, they came

A Story of Humorous Boyhood Adventure  
By JOHN MORTIMER LEWIS

FRIDAY. It rained in the night and the wind blew in every direction, so that there were puddles on the floor in front of all the doors, and the rain had come in under the front door and ran clear across the dining room and made the rug sopping.  
When I had milked the dummed brute and given Jubilee a few squirts and went in the house to strain the milk, my mother had taken the rug up and mopped up the water, and nobody looked very pleasant. When my grandfather came crawling out and my mother asked him how he was feeling he said he felt right feeble. Then my aunt told him the feebleness was all in his mind. He told her that he had the advantage of her, because he had a mind to be feeble in. I was glad that Feeble and Maggie and Younis came just then, because if everybody got mad I would get blamed for something.  
Younis asked me if I helped Feeble with the twins yesterday, and I said no, I didn't. She looked so surprised and pleased that I knew Feeble hadn't told her about me wheeling a couple of pillows around all day. So she is a pretty good sport after all. When we got outside she said she couldn't go to the pasture with us because she had to go home and take care of the twins. Then she asked Banty why he didn't go along and help her, and the poor little sucker he kinda stuck on her, so he said he would be glad to, and they went away together with all of us hectoring them.  
On the way to the pasture I told the bunch about it, so we all hurried back, and sure enough, there was Banty wheeling the buggy around the block.  
We sat under a tree by the sidewalk and hectored him every time.

**To Avoid Grease Scum ON Glassware**

BY MARY LEE WORK

**To Avoid Grease Scum ON Glassware**

BY MARY LEE WORK

**To Make Dishes Sparkle Like Jewels**

Add one teaspoonful of Cimalene to each quart of water, use only ¼ the amount of soap you now use. It instantly cuts the grease from dishes and cooking utensils, makes glassware sparkle and clean glass. The Cimalene-softened water, plus certain alkali cleaning agents, cuts your dishwashing time ¼ or more—save ¼ or more the soap you now use.

**To Avoid Rubbed Gray Washings**

Use 2 tablespoons of Cimalene, and ¼ the usual amount of soap. Clothes, stoves, and, especially, without fading. For soap suds and soap suds are used this way. In recent tests men's blue shirts were washed 75 times without noticeable fade; whereas French boys' 100 times or more—to prove the blueness of this way.

**To Clean Silver Without Rubbing**

Add one teaspoonful of Cimalene to 2 quarts of water in an aluminum pan, immerse the silver—bring it to a boil. Then rinse silver, and wipe dry. That is all. All signs of tarnish disappear. Even the most intricate and highly embossed silver patterns are perfectly cleaned.

**Why It Cleans**

Cimalene instantly takes all the built-up out of Laka water, medium hard water, and hard water. Makes it soft and gentle so rain water. So soft it does the work with ¼ the soap you now use. At the same time, due to certain blood cleaning agents, it instantly dissolves all grease, dirt and grime, and then cuts your working time ¼ of hour, in washing, cleaning and in the dishes.

## W. D. BROWN GIVES TALK AT SCHOOL

Plans and Committees for  
Year at Central Junior  
Announced.

W. D. Brown, executive secretary of the Marion chamber of commerce, was the speaker at the first assembly of the school year today at 11 a. m. at Central Junior high school. T. R. Evans, music supervisor of the schools, was in charge of the music and will conduct the musical portion of the program throughout the year. W. E. Orent, principal, announced today. Faculty committees for the year appointed by Orent were also announced.

Next week's assembly program,

Orent said, will be presented by Rev. T. H. Gaddis and the three Mouser sisters who are now conducting a revival at the First Church of the Nazarenes. The evangelistic party will display and describe the costumes of various countries visited during a recent world tour.

### To Visit School

Miss Mary Brennan, Red Cross supervising nurse, will visit the school each Monday forenoon, Orent said, to meet all children wishing to see her or that have been referred to her by teachers. This arrangement was made through Dr. N. Sifrit, city and county health commissioner.

The committee personnel follows: auditorium, to have charge of assemblies and entertainments, Rosanna Crow, chairman, A. T. Allen, Leora Aakney and Bessie L. Snider; library committee, Mar-

fan Conley, chairman, Zeimab Howard and Nell Steers, athletics; Cecil Gabler, chairman, and A. A. Wiser, flower committee; Grace Colvin, chairman, and Edna Surface, school night committee; Hazel Mochelatter, chairman, Josephine Ferry, Anna Parks, Marian Conley and E. J. Beer, social (for faculty affairs); Beatrice Wilson, chairman, Cecil Gabler, Edith Zeimab, Effie Gilphant and Ella Meant; Girl Reserves, Opal Donithen, chairman, and Beatrice Wilson; school boy patrol, Grace Colvin, chairman, and A. T. Allen. Miss Rosanna Crow has been named to have charge of all school dramas and will devote part of her daily schedule to this work.

## The Stars Say—

For Saturday, Sept. 13

THE sidereal operations for this day indicate a state of unusual liveliness and stirring events, with the prospect of a disturbing or high pressure condition in both business and private matters. The latter are under auspices of unrest or inharmonious and business carries financial hazards, although negotiations with corporations, mergers, secret deals or through writings or publications are under good auspices and should receive quite an impetus.

Those whose birthday it is are on the eve of a very lively and interesting year, with much activity and stirring events in business as well as private affairs. The latter may give concern and finances may prove unsatisfactory. Yet there are excellent opportunities for dealing with large corporations, "rings" or secret organizations or through letters, publishing or writing. A child born on this day may be versatile, literary, diplomatic and inclined to the curious and intriguing.

Notable Nativities: Samuel Johnson, historian.

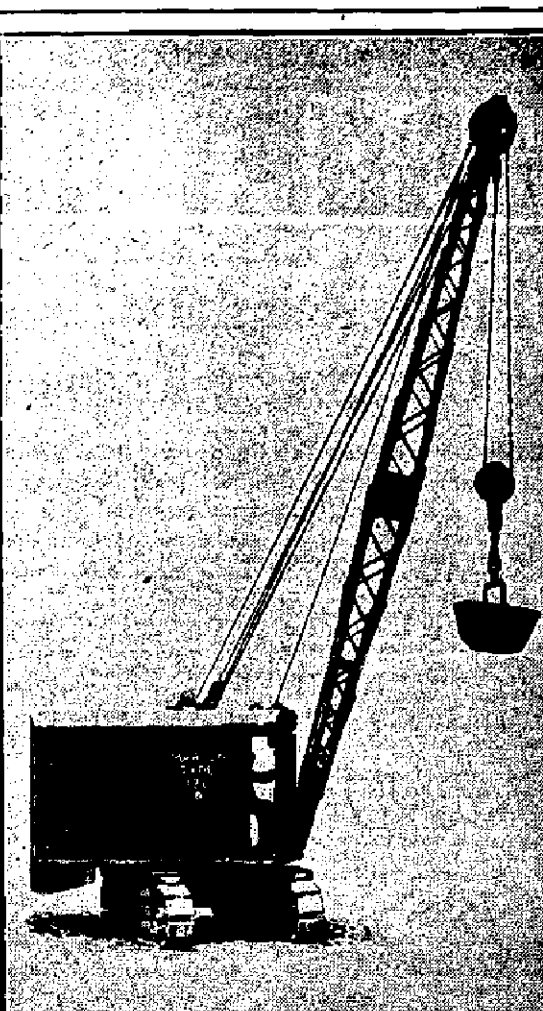

## MANAGERS CHANGED AT PALACE THEATER

A change in the management of the Palace theater was announced today. E. C. Prinson, manager for several months, has been succeeded by J. R. Wheeler, who came to Marion this week from South Bend, Ind., where he was manager of the State theater.

Prinson will go to Cleveland Monday to take over duties of district manager.

Milk fish raised in tidal ponds near Manila, P. I., have an annual harvest value of more than \$5,000,000.

## NEW SHOVEL PRODUCT

Above is the most recent development of the Marion Steam Shovel Co., a machine known as type 120 adaptable as a crane, as shown in the photograph, a shovel, clamshell and dragline. Placed on the market this week after several test machines had proven satisfactory, the new machine will enable the company to invade a comparatively new market field. The crane is expected to be popular in industry for handling materials, laying sewer tile and similar jobs. As a shovel it will be suitable for small contract jobs such as grading and road work. It is unusually mobile and compact. The picture above shows the machine with a crane boom, to which is attached a dipper.

Tri-State Champions Boast Dangerous Hitters; Milk Fund Gets Proceeds.

**BY BOB ELLIOTT**  
EAST LIVERPOOL, O., Sept. 18.—Victory over a crack field of 19 softball aggregations in the first annual Tri-State softball tournament held here under the auspices of the Tri-State Athletic Association, Maple's Butchers will endeavor to add to their laurels when they square the tough Linden Gophers of Columbus in a double header at Marion Sunday.

The team is composed of both veterans and youngsters, there being enough of the former to steady the younger hands in a tough skirmish.

The Butchers do not lack for hitters, four of their regulars batting over the 400 mark in the Tri-State tournament. They boast several long-distance clouters who may accomplish some hitting feats when they make their initial contact with the liveball in the field at Marion.

Have Good Pitcher  
The Butchers have a fine twirler in Farro, who hurled his team to the championship here. His starts will be received by M. Schubert, a veteran hardball performer who is tower of strength both in the field and at bat.

Bettis and F. Schubert, another pair of vets, take ample care of first and second base. Neither are long hitters but are dangerous men at the plate in a pinch. A couple of youngsters who proved the class of the local tourney will take care of short and third. Woodward is the shortstop and one of the most outstanding defensive men in this section. A real slugger, he led all performers in the tournament with an average of close to 500.

Start at 1:30 p. m.  
The first of the two games scheduled between these teams will commence at 1:30 p. m. Sunday at Linden park. The second will get underway at 3:30 p. m. with a game between the first and second all-Maryland softball teams playing a game at 2:30 p. m. The first East Liverpool-Columbus game will be played under East Liverpool rules, using an outbatter ball and allowing the stealing of bases. The second will be under the regular Marion regulations.

"Doc" Smith will hurl the game for Columbus under the Marion rules. Homer List is expected to twirl the East Liverpool governed team.

All of the proceeds from this tournament, with the exception of the percentage guarantee to the two visiting teams, will be turned over to the Marion Red Cross Milk fund.

The same admission prices will be charged as in force during the central Ohio tournament which closed last Sunday. The Gophers won the championship of this tournament. The East Liverpool side is Tri-State tournament champion.

## YOUNG PLAYERS BAR PATHS OF VETERANS

Gene Sarazen Meets Cravay; Burke, Denny Shute, in P. G. A. Tourney.

**By The Associated Press**  
PROVIDENCE, R. I., Sept. 18.—Two men who have won the National Open golf championship today found their paths to the final round of the P. G. A. title play blocked by a pair of ambitious youngsters who have been causing considerable stir at Wannamoisett this week.

Gene Sarazen, 1922 open titleholder, twice P. G. A. champion and runner-up to Tommy Armour last year, was matched in the semifinals with Tommy Cravay of Albany, N. Y. Billy Burke of Greenwich, Conn., this year's open winner, drew Denny Shute, of Madison, O.

Shute caused excitement when he blazed away in such spectacular fashion on a rain-drenched course that he overcame Armour by a 2 and 1 margin. The matches are at 30 holes.

A triple steal put over the winning run in a recent Texas league game in which Beaumont defeated Houston.

A REVIEW of the figures compiled from the nine games of the Little World Series, completed Wednesday, reveals the fact that the weakest team of the four in the series, the Kappas, produced the highest batting average of the series. The Commercial League entry was the first team eliminated and failed to win a single game but despite this, turned in a .246 batting average, one percentage point higher than that of the First Presbyterians. The Kappas were originally given a team average of .224 but a recheck of the official score book gives them .246.

George Hinklin of the Kappas led the series hitting, turning in a mark of .407 for two games. Hinklin batted .167 in the 1930 series.

The First Presbyterians, city champs, were second in hitting with a mark of .245, one point less than the Kappas. The Irish were third with .230 and the C. D. & M. last with a mark of .219.

Errors were more plentiful this year than in the 1930 Little World Series. The Irish committed the most, 24, while the C. D. & M. had the fewest, eight. The Kappas committed nine misplays while the Presbyterians had 11.

In the 1930 series Calvary had 18, Erie Roundhouse, the champions, 15 and the Kappas and Lee Street, 19 apiece for a total of 47. This year's total was 52.

Here are the figures for the four teams of the 1931 series, showing times at bat, runs scored, hits, put outs, assists and errors, and the batting averages of the individual players and the teams.

## Commission To Meet

The city recreation baseball commission will convene today at 7:30 p. m. to arrange for the annual banquet and get together of Marion softball players and enthusiasts. The pennants of the league winning teams and the city championship trophy will be awarded at the banquet, which will be played within the next few weeks. The meeting tonight will be at the Y. M. C. A.

## Leads Panthers

Captain Eddie Hirschberg, end, will lead this year's first grid team. Although he has started in only four games in two years, he is considered a good blocker and pass receiver.

## ROWLEY AND BOWER IN TOURNNEY FINALS

Meet Sunday in Match for Championship of Mar-O-Del Golf Club.

Cliff Rowley and K. M. Bower will meet Sunday in the 36-hole final match for the golf championship of the Mar-O-Del club. Rowley won the right to play in the finals by defeating Gompf in the semi-finals by a score of 3 and 2. Bower eliminated Sam Sharrock in the semi-finals two up.

The first 18 holes of play will commence at 9 a. m. Sunday. The second 18 will get under way at 1:30 p. m. The winner will receive the rotating cup now in the possession of W. A. Connett, winner of last year's championship.

The Mar-O-Del club's Marion county amateur tournament will be held on Sunday, Sept. 27. This tourney will be a 36-hole medal play affair with a permanent trophy going to the winner. "Chuck" Ulrich, manager of the Mar-O-Del, reports several entries already received for the amateur tourney with prospects good for a large number more. Any player of amateur status in Marion county is eligible to compete.

Judge John R. Ogden of Ardenmore, one of Oklahoma's best known jurists, was runner-up in a state golf meet for left-handers.

## WEBB HITS PAIR OF DOUBLES TO BREAK MAJOR LEAGUE MARK

Babe Ruth Connects for Two Homers To Run Season's Total to 42.

**BY GAYLE TALBOT**  
Associated Press Sports Writer  
The Boston Red Sox are giving the home town fans something to talk about in the waning days of the 1931 campaign. First, they pulled out of the American league cellar two days ago, and then, yesterday, one of their number set a brand new record of two batters in a season.

When Earl Webb, crack right fielder, hit his sixty-fifth double off Jablonowski, of Cleveland in the second half of a doubleheader, he passed the all-time of 64 set in 1926 by George Burns, Cleveland first baseman. He had tied the former record in the first game.

He has made only three triples all season, but has 14 home runs to his credit. Webb's first double of the day helped the Sox beat Cleveland, 9 to 2 in the opener, but his record-breaking could not avert a 2 to 1 defeat in the nightcap. Johnny Moshop's single in the ninth with the bases full gave the Indians the winning run off Milt Gasten.

Yankees, Senators Tied  
New York Yankees and Washington Senators, meanwhile, became involved in a hot fight for second place in the American league, the Yanks climbing into a tie for the coveted position by beating St. Louis twice while Washington was dropping its opinion to Detroit.

Charlie Ruffing and Bill Dickey co-starred to give the Yanks a 17 to 6 victory in their first game, Ruffing allowing nine well-placed hits and Dickey leading the offense with a pair of home runs that kept the Sox from scoring.

Art Herring pitched Detroit to a 1 to 1 win over the Senators, blanking them until the ninth inning. Jonathan Stone socked a home run for the Tigers. Rain held the Chicago White Sox idle at Philadelphia.

Cubs Take Another  
Chicago and Brooklyn locked horns in the day's feature bout in the National league, the Cubs finally pushing across the winning run in the last of the ninth, after the Robins had scored twice to tie it in their half. The score was 4 to 3 and gave the Horns-men their eighth straight victory.

The veteran Tom Zachary allowed only five hits as the Boston Braves downed Pittsburgh, 1 to 0, in the first game of a twin-bill, but the Pirates came back to take the second, 4 to 2, behind Glenn Spencer.

No less a star than Paul Derringer was knocked from the hill as the New York Giants inaugurated their final series at St. Louis with a 7 to 1 victory. Mal Ott hit his twenty-ninth home run of the year with two on base.

The Phils broke a 10-game losing streak when they beat Cincinnati, 3 to 2.

## MANAGERS, UMPIRES SELECT MYTHICAL ALL-CITY TEAMS

**BY BOB KIRKPATRICK**  
Sports Editor, The Star  
Here they are, folks, those all-Marion recreation baseball teams for 1931. They went out every night in fact they probably won't get any. But nevertheless they are the official all-city teams and go down to the records as such. Teams apart from them, pick 'em up this season. The other two posts go to Conroy of the Presbyterians and Bill Mill and Conkle of the C. D. & M.

Good Pitchers  
Good pitchers are scarce this year. No one in the city measures up to last year's leader, Roy Rice. But Rice is gone and someone has to take his place, so Gunder of the C. D. & M.

Kappas and St. Mary's and Shoemaker of the Erie Traffic club and Presbyterians look like the best. The other posts go to Gamble of C. D. & M. and Epworth No. 1, Lindsey of St. Paul Lutheran, Schwabacher of Trinity Reformed and Applegate of First Baptist and C. D. & M. Poscoe Rank was edged out of a post on the pitching corps only because of inability to field his position on a par with the pitchers named above.

Bud Crum of the Epworth Bluffs and Huber in the eyes of the committee still reign supreme among the first basemen although

Bob Merchant of Trinity and C. D. & M. made serious inroads on Crum's popularity this year. Crum has shown better fielding ability although his hitting dropped this season. Ballenger of Epworth Seniors and Marion Steam shovel gets the third team post.

Sharrock at Second  
Sam Sharrock of Erie Roundhouse and Epworth Seniors, Bill Roush of Epworth, Bishops and Marion Steam shovel at short and Serv-U-We! at third round out the first team infield. Marshall and Roush are both young players who could use some more experience but the ability of both to cover territory and make lightning throws gives them the positions. Sharrock's ability at second although he has played short most of the year, is unquestioned. He is one of the steady infielders in the city and a good batter.

The outfield posts go to Robbins of Calvary and Erie Roundhouse, Simmons of St. Mary's and Huber and Somerlot of Trinity Baptist and Serv-U-We! Robbins is named captain of the team and given the title of being the city's finest ball player.

The committee, feeling that Don Ferry was too good a ball player to be left off the first team, has put him at the utility post. Ferry can do anything except pitch better than the average player and might do that if someone would give him an opportunity. He is one of the most dangerous hitters in the city and one of the finest sparmen playing in local softball.

Here's Something  
Really, it would be an insult to neglect naming a team of downtown coaches. If it wasn't for them the game couldn't be run. For who pilots the game here if they don't? If you think they aren't a big help, just ask them. They'll tell you so.

Ray "Mac" McFarland, the red headed Irishman gets the captaincy of this organization. Carl Coffee, pool room operator and "Cobby" Dennis, the big clean merchant, act as the other positions. The others are left open. Competition is too tough to pick any more. Any 'em will qualify. Go ahead, give 'em all a place and see if I care.

## TOUGH FIGHT LOOMS IN NORTHWEST OHIO FOOTBALL CIRCUIT

Four Teams Will Battle for Pennant in Small College Conference.

**By The Associated Press**  
BOWLING GREEN, O., Sept. 18.—Four teams will play for the football championship of the Northwest Ohio intercollegiate conference this fall. These schools are Bowling Green State college, Findlay, Defiance and Bluffton. Toledo university, the fifth member of the conference, announced last month it had abandoned its football schedule for economic reasons. The Toledo school's scholastic funds were tied up in a bank which closed.

It has been rumored on good authority that the Northwest conference would be abandoned after the 1931-32 season unless other colleges can be added to the membership. Toledo university, although not a participant this year, has been admitted as a probationary member of the Ohio conference and is expected to resign from the smaller league.

Bowling Green also is seeking membership in the Ohio conference and may not remain a member of the northwest group.

Findlay college, the 1930 champion, will have a hard time defending its football title this fall. At present it appears the four members will be nearly even strength.

Bowling Green came close to winning the title last year and has an experienced line and promising backfield for the coming campaign. Coach Warren E. Stetson has the largest squad in the conference but his team faces an unusually hard schedule, with several games outside the league.

Coach Harry Barnhart expects to have a good team at Findlay as last season. He has many veteran players and some new material which is expected to add strength.

Coach Andrew C. Burcky reports a promising squad at Bluffton. His team will play a difficult schedule, including games with Wooster and Earlham. Bluffton is not expected to win the championship however.

At Defiance, Coach Paul R. Lyne, beginning his second season, has a tough assignment. He has only a handful of experienced players and must toil earnestly to round his newcomers into shape for the conference season.

Happ Morse, reappointed manager of the Dallas Texas league team, is the first Dallas pilot to succeed himself in four years.

### ITALY ADOPTS NEW PLAN FOR PRISONS

Radical Changes Meet with Approval of Humanitarians Generally.

**Rome**—Radical changes in Italy's prison system, including the abolishment of cellular segregation, have gone into effect throughout Italy, with the hearty approval of humanitarians and prison reformers throughout the world. Italian prisoners no longer live in prisons, but "social institutions." The entire Italian penitentiary system has been overhauled, with the idea of re-educating and regenerat-

ing the prisoners while they are being punished. The major changes in the system can be enumerated in the following manner: 1. Abolition of cellular segregation, or solitary confinement; 2. Creation of many specialized types of prison "institutions"; 3. Prisoners must work profitably; 4. The prisoners must work in the open air as much as possible; 5. The prisoners will be paid for work done; 6. Prisoners are required to pay part of their food and lodging expenses; 7. Civil and religious instructions for prisoners; 8. Special treatment for minors; and 9. Judicial control over the execution of the sentences. There are haunting shades of difference between sentences under the new code. The change over to the new system will be gradual, as many of the present prisons will have to be remodeled to meet the more liberal ideas.

**Needs of their respective communi-  
ties.**  
The committee's objective is to  
stimulate the mobilization of re-  
lief funds, both public and private,  
through state and local communi-  
ties. It will not raise funds itself,  
but will make a national appeal  
from Oct. 15 to Nov. 25, to aid or-  
ganizations which have been urged  
to conduct all local drives be held  
during that period.  
**Arthur Brisbane's  
Today**  
Continued from Page One  
try of northern California, old  
miners are panning gold in the beds  
of streams that dwindled in the  
drouth and they are making good  
wages.  
When the rivers rise they will  
have to stop panning.  
Westerners live cheerfully under  
conditions that would appall some  
in the East.  
While fishing on the Klamath  
river, Mr. Clark stopped with an  
old farming couple, the hundred  
miles from a railroad. They had  
ten cows, and sold \$700 worth of  
milk a year. Visiting tourists  
yielded about half as much as the  
10 cows. With \$1,000 a year the  
farmer couple felt as rich as  
Rockefeller.  
They spent \$120 a year for  
sugar, coffee, flour, raised every-  
thing else, had their chickens, but-  
ter and milk caught and dried, fish,  
saved about \$700 a year.  
It is still possible to live com-  
fortably in this country if you  
know how.  
ANOTHER WORD about the  
Diesel engine, which has no elec-  
tric ignition, doesn't explode or  
catch fire and will do several im-  
portant things.  
It will make the farmer and the  
small community independent of  
big power companies, and the  
costly running of power lines to  
long distances.  
It will make the airplane safe,  
against fire or explosion, reduce  
the cost of long distance air travel  
to one-quarter that of railroad  
travel.  
And, with the long cruising  
radius that it guarantees, it will  
enable ships to go around the  
world twice without taking fuel.  
Vincent Astor of New York, who  
returned from Europe two days  
ago, took his big Diesel engine  
yacht to England, France, Norway,  
Sweden, Denmark, Germany, the  
North Cape, through the Baltic  
After steaming more than 12,000  
miles the yacht came back to New  
York carrying much of the fuel  
with which it started.  
**3 KIDNAPERS SLAIN  
BY INTENDED VICTIM**  
Fourth Capter Dangerously  
Wounded by Louisiana Gas  
Station Operator.  
By The Associated Press  
ATLANTA, Tenn., Sept. 18—Three  
men were shot to death and a  
fourth was wounded dangerously  
near here last night by J. H. Boyd,  
50-year-old Louisiana gasoline sta-  
tion operator, who said they had  
lured him from his station and kid-  
naped him.  
Officers identified the dead men  
as Hardy Luce, 45; Bill Fish, 28,  
Boyd's stepson, and Earl Sullivan,  
22. Physicians said they did not  
expect Bill Sullivan, brother of  
Earl Sullivan and brother-in-law  
of Fish to live. All were filling  
station operators. One pistol bul-  
let fractured Boyd's right arm.  
Another plowed a furrow across his  
chest.  
Boyd said two of the men came  
to his station, 13 miles from  
Atlanta, told him a motor car in  
which they were riding had de-  
veloped trouble and asked him to  
tow them in. He said when he  
drove up behind the machine one  
of the group forced him with a  
shotgun to enter the car.  
Boyd told officers he liberated  
one arm and opened fire after he  
was struck over the head.  
The Sullivan brothers lived near  
Vivian, La. Luce operated a gaso-  
line station just over the Louisiana  
line in Texas. Both Boyd and Fish  
operated stations in Louisiana. The  
 motive of the alleged attack was  
not made clear.  
**MRS. ANNA MOTTER  
CLAIMED BY DEATH**  
Funeral at Chapel Saturday; Dies  
from Heart Trouble.  
EUCYRUS, Sept. 18—Mrs. Anna  
E. McMillen Motter, 44, died at the  
home of Ralph Carpenter here  
yesterday afternoon after a month's  
illness from heart trouble. She  
had been employed as housekeeper  
at the Carpenter home since com-  
ing to Eucyrus.  
She is survived by one son,  
Harry Motter of Columbus and six  
daughters, Mrs. Charles Deitiker of  
Toledo, Mrs. Philip Rizzo, of Mans-  
field, Mrs. Earl Lemley of Mans-  
field, Mrs. Clark Temple of Eu-  
cyrus, Mrs. Jay H. O'Brien of  
Kent and Mrs. Adrian Atkinson of  
Franklin, Pa. She is also survived  
by three brothers, Samuel McMil-  
len of Mansfield, Herman of Akron  
and George of Medina.  
Funeral services will be held from  
the First Baptist chapel Saturday  
at 2 p. m. conducted by Rev. E. J.  
Wypke of Prospect and burial will  
be made in the Oakwood cemetery.  
**Marvin Hart Dies.**  
By The Associated Press  
LOUISVILLE, Ky., Sept. 18—  
Funeral services for Marvin Hart,  
33, champion of the heavyweight  
boxing championship of the world,  
who died at his home in Fern  
Crest, a Louisville suburb, yester-  
day, have been set for Sunday af-  
ternoon. Hart, who defeated Jack  
Root at Reno, Nev., July 8, 1908, for  
what he claimed was the world  
heavyweight title, died after an ill-  
ness of nine months. He was 38  
years old Wednesday.

**BUDGET PASSED;  
NO CHANGES MADE**  
Tax Committee's Suggestions  
for Changes Ignored at  
Final Meeting.  
Continued from Page One  
county budget as originally pre-  
pared by them."  
**Recommendations Made**  
The 10 statements and recom-  
mendations follow:  
(1) Sec. 5625-20 G. C. relating to  
the preparation of Budgets provides  
that: "To assist in its preparation,  
the head of each department, board  
or commission, each district author-  
ity and each special appropriating  
authority entitled to participate in  
any appropriation or revenue of a  
subdivision shall file with the tax-  
ing authorities (county commis-  
sioners) thereof, an estimate of  
contemplated revenue and expendi-  
tures for the ensuing fiscal year in  
such form as shall be prescribed by  
the taxing authorities of the sub-  
division." We find that no depart-  
ment heads of the county have com-  
plied with this provision of the law.  
Without this information the com-  
missioners could not prepare a  
budget accurately. We are of the  
opinion that the budget as adopted  
by the county commissioners has  
not been legally prepared nor  
passed upon, and we recom-  
mend that the commissioners be  
asked to determine on the form to  
be used in making such estimates  
by the department heads and that  
the department heads be requested  
to file estimates with the commis-  
sioners as required by law, to the  
end that the public may know for  
what purposes the expenditures of  
county offices are made.  
(2) The attitude of the county  
commissioners and their clerk has  
been hostile to suggestions made  
by your committee. We were told  
when the hearings began and the  
statement was repeated at the close  
of the hearings that the commis-  
sioners and their clerk considered  
our efforts a reflection on their  
ability to prepare a budget; that  
they from their long experience in  
the office were thoroughly com-  
petent to adopt a budget without  
our aid or advice, and no helpful  
suggestions were made by them as  
to how the income and expenditures  
of the county for 1932 could be  
balanced.  
(3) The county budget discloses  
that in many instances the budget  
for the operation of county offices  
was increased over expenditures of  
1930. We are of the opinion that  
there is no need in any office to  
increase the cost of operation in  
1932 over the amount expended in  
1930.  
(4) Our investigation shows  
that for several years there has  
been expended by the sheriff for  
the care of criminals and criminal  
protection approximately \$19,000 each  
year. It was budgeted for 1932 the  
commissioners have reduced this  
item to \$9,000. We find also that  
the sheriff will, by careful man-  
agement, have saved in his ap-  
propriation for that purpose this  
year about \$1,500. Under present  
conditions, we believe that the  
sheriff should have been allowed  
\$12,000 instead of \$9,000 for this  
item.  
(5) The legislature, early this  
year, passed the Pringle-Roberts  
bill authorizing county commis-  
sioners to issue bonds for poor re-  
lief. Under the provisions of this  
act, the commissioner in April is-  
sued bonds for \$43,000. At the same  
time, the county commissioners  
transferred \$41,547.83 from funds  
for county home, children's home,  
mothers' pensions, blind relief,  
tuberculosis, clothing for inmates  
of state institutions, to the gen-  
eral fund. The proceeds from the \$43-  
000 bond issue was thereupon ap-  
propriated to the foregoing funds.  
By this procedure, the county com-  
missioners, in effect, used \$41,547.83  
from the proceeds of this bond is-  
sue, intended for poor relief, for  
operating and other current ex-  
penditures as follows:  
Clothing, etc. for inmates of  
state institutions, \$2,447.80, court-  
house and jail, other expense, \$250;  
memorial day expense, \$200; com-  
pensation of registrar of vital sta-  
tions, \$28.50; examination of coun-  
ty offices, \$50; advertising county  
auditor's financial statement, \$24.20;  
auditor's other expense, \$100; cor-  
oner's stationery and supplies, \$50;  
salaries for appraising real estate,  
\$16,000; stationery and supplies for  
appraising real property, \$1,000;  
other expenses for appraising real  
estate, \$400; probate court's other  
expense, \$80; labor and material  
for location and construction of  
county ditches, \$19,307.33. These  
items total \$41,547.83. Your com-  
mittee doubts the legality of the  
disposition of these funds, and sug-  
gests that these proceedings be fur-  
ther investigated and their legality  
determined.  
(6) Our investigation discloses  
that the county budget sets up  
\$33,000 for charity, and \$18,000 for  
care of tubercular persons, making  
a total of \$51,000 for charity in  
these two items. In 1930, accord-  
ing to the published detailed report  
of all financial transactions for  
that year, there was expended for  
the same purposes \$112,111.90. In  
these two items alone the budget  
has been increased \$61,111.90 over  
the amount expended in 1930 for  
the same purposes. There are now  
unpaid bills for charity, on file  
with the county auditor amounting  
to \$9,897.70. These charity funds  
of the county now have in them  
less than \$200. The county auditor  
estimates that claims against these  
funds for the remainder of the cur-  
rent year will be \$9,897.41. The de-  
ficit in these two funds alone at  
the end of 1931 will be \$19,895.11.  
This sum should have been paid  
from the \$43,000 received from  
bonds sold under the Pringle-Rob-  
erts bill for poor relief.  
(7) On the receipt side of the  
county budget, it is estimated that  
receipts from sources other than  
general levy will be \$69,000 in 1932.  
These proceeds are from interest  
on county funds, fees collected by  
county officials, fines and costs, re-  
turns from county and children's  
homes, social amendments from  
county ditches, airport taxes, in-  
terests in mines, coalminers' fees,  
NANKING, China, Sept. 18—Al-  
though the flooded Yangtze river  
swept away what especially  
constructed for the Lindbergh  
monoplane, preparations for the  
reception of the former "Lone  
Eagle" and his wife, probably to-  
morrow, are complete.  
This city, the capital of China,  
eagerly awaited news of the take-  
off of Colonel and Mrs. Charles A.  
Lindbergh from Fukuoka, Japan,  
nearly 600 miles distant across the  
Yellow sea.  
As the Yangtze still is running  
a terrific current, the Nanking  
aviation bureau cabled Lindbergh,  
requesting that he exercise the  
greatest care in landing.  
Chinese navy launches and avia-  
tion bureau motorboats will sweep  
the river clear of all craft, the  
United States gunboat McCormick  
will be standing by, ready to re-  
nder assistance.  
When the Lindberghs arrive  
here their plans will be moved to  
an especially constructed wharf,  
replacing the first one that was  
swept away. However, the fiery  
city will be some distance from  
solid earth, as the whole of the  
Hainan, Nanking's waterfront,  
is under flood water.  
Many social events have been  
arranged in honor of the Lind-  
berghs for the five days they are  
expected to spend in the capital.

Friers of Cleveland, indicted by  
the September term grand jury on  
charges of arson and burning per-  
sonal property to defraud an in-  
surer, were freed under bonds of  
\$1,000 when they pleaded not guilty  
to the charges before Judge George  
B. Seefeldt in common pleas court  
yesterday.  
Trial dates for them were not  
fixed. They are represented by the  
law firm of Mower, Young, Mower  
& Wiant. They were arrested after  
a fire in a shoe store they owned  
here this year destroyed a part of  
their merchandise.  
**BOY ON "VACATION"  
PICKED-UP HERE**  
Thomas Cotton, 14, of 111 west  
First street, in Columbus, walked  
into trouble when he attempted to  
forage schooling for a vacation  
yesterday. His plans were altered  
considerably when Deputy Sheriff  
Chester O'Connell and M. E. Rie-  
del took him off a C. & O. freight  
train late yesterday afternoon.  
The lad was on his way to Cleve-  
land for vacation, he told authori-  
ties. His parents came to Marion  
this morning to return him to Co-  
lumbus.  
More than \$5,000,000 in federal  
construction work is under way  
or in prospect in the vicinity of  
Roanoke, Va.

**WESLEYAN CLASS TO  
STUDY DRY PROBLEM**  
Noted Speakers To Address  
Students in New University  
Course.  
Continued from Page One  
Prof. Clegg is the author of  
"Prohibition Politics," a history of  
the Anti-Saloon League.  
Other speakers already sched-  
uled are Charles W. Melick, of the  
University of Michigan, a former  
federal enforcement officer, and  
A. E. Bernstein of Cleveland, for-  
mer U. S. district attorney.  
Names of other lecturers and  
of the speakers who are to ap-  
pear at the conference on probih-  
tion which is to be held at Ohio Wes-  
leyan university January 8 and 9  
as a feature of the course will be  
announced at a later date.  
Will Analyze Question  
Students will read widely in  
propaganda on the prohibition  
question in order to analyze the  
value from a scientific standpoint,  
says Dr. Ben A. Arneson, who is in  
charge of the course.  
Although large numbers of stu-  
dents were interested in the new  
prohibition course, enrollment  
has been restricted to 44 advanced  
students having considerable  
preparation in the field of political  
science.  
**FOUR ORDERED HELD  
FOR TRIPLE SLAYING**  
Prosecutor Charges Purple  
Gang Members with Ap-  
parent Murders.  
By The Associated Press  
DETROIT, Mich., Sept. 18—Ray-  
mond Bernatek, Irving Milberg,  
Harry Keywell and Harry Fleisher,  
all members of the Purple gang  
were charged by Prosecutor Harry  
S. Toy today with the massacre of  
three gangsters in a Collingwood  
apartment Wednesday.  
Detectives of the homicide squad  
and investigators from the prose-  
cutor's office were ordered by Toy  
to arrest the four men.  
The prosecutor said that Joseph  
(Biggie) Joel Lebevit, Joseph  
(Hymie) Sykes and Herman  
(Hymie) Paul, the three victims  
were slain because of "double deal-  
ing" with members of the Purple  
gang.  
**EFFORT TO LOCATE  
RELATIVES FAILS**  
CALEDONIA, Sept. 18—After a  
fruitless search for relatives,  
Homer D. Timson, local funeral di-  
rector, has announced that the  
funeral of David Manson, about 60,  
who was found dead in bed Wed-  
nesday night, will be held Satur-  
day at 2 p. m. at the Timson fu-  
neral home here. Burial will be in  
the Caledonia cemetery.

**Lash Is Wielded  
as Punishment  
for Wife Beater**  
By The Associated Press  
BALTIMORE, Md., Sept. 18—A  
confessed wife beater, Clarence  
Hall, 40, was given 30 lashes today  
on his bare back by Sheriff G.  
Murray Phillips.  
It was the second such punish-  
ment in Maryland in years. Earlier  
this year in Baltimore 10 lashes  
were administered to a man con-  
victed of the same offense.  
The sentence, imposed by Judge  
Joseph L. Bailey, was carried out  
in the jail corridor. Although Mrs.  
Hall had expressed a wish to be  
present, she did not appear when  
her husband was brought from his  
cell and tied to the whipping post.  
Two physicians were on hand, but  
their services were not needed.  
Although red welts appeared on  
Bella's back, he uttered no outcry.  
A crowd of several hundred per-  
sons gathered outside the jail but  
Judge Bailey said he interpreted  
the law to mean the lashing should  
not be public.  
**MINGO JUNCTION HIT  
BY FEVER EPIDEMIC**  
Health Department on Guard  
To Check Spread of Typhoid  
Disease.  
By International News Service  
COLUMBUS, O., Sept. 18—With  
23 cases of typhoid fever already  
reported at Mingo Junction in Jef-  
ferson county, state health au-  
thorities went to the aid of the  
community to prevent the disease  
from spreading.  
Investigation was started to de-  
termine the source of the fever  
and milk and water supplies were  
being closely examined.  
Points throughout the state  
where typhoid fever has broken  
out are being closely watched, of-  
ficials of the state health depart-  
ment here said today.  
By International News Service  
CLEVELAND, O., Sept. 18—With  
no new cases reported for more  
than two days, officials at the  
Cleveland state hospital for the  
insane today stated the typhoid  
fever epidemic which has been  
raging in the institution more  
than a month, causing seven  
deaths, seemed well under control.  
Inoculation of all the 2,350 pa-  
tients not stricken with the dis-  
ease was completed last night.  
Second "shots" were to be given  
some of the inmates today. Three  
"shots" are necessary for absolute  
immunization.  
**Judges Take Pay Cut.**  
By The Associated Press  
TOLEDO, O., Sept. 18—Common  
pleas judges here have agreed to  
accept a 10 per cent salary reduc-  
tion retroactive to Sept. 1 for  
themselves and others under their  
jurisdiction as a means of aiding  
county commissioners in effecting  
economies in the courthouse.

**WEISER FUNERAL  
TO BE SATURDAY**  
Services for Mrs. Ada Belle  
Weiser, 45, who died yesterday at  
1:30 a. m. at her home at 513 Avon-  
dale avenue, will be conducted Sat-  
urday at 2 p. m. at the home and  
at 3 p. m. at the Methodist church  
at Walden. Burial will be in the  
Prospect cemetery. Rev. H. P.  
Bougherty will conduct the services.
